- First payment will be made 1 month after application (PTPTN Loan Agreement) submitted is successfully approved.
- Second and subsequent payment will be disbursed if student achieved minimum GPA 2.00/4.00 or equivalent.
- Students are advised to pay their current semester fees whenever it is due.
- This loan will enable students to partially pay their fees and their subsistence for the duration of their study. In most cases, student may need to top up on fees.
- Information provided here is valid at the time of publication. Changes may occur from time to time as decided by PTPTN.
