IMPERIUM INTERNATIONAL COLLEGE

Imperium's strategic location at Fraser Business Park, Sungai Besi enables students to enjoy the benefits of living and learning in metropolitan of Kuala Lumpur with access to top academic and professional expertise as well as excellent facilities with a link bridge to the city's Light Rail Transit (LRT) network that connects the college (Chan Sow Lin LRT station) to the greater KL.

A purpose-designed campus offering a wide range of innovative academic, professional and vocational programmes for students. Imperium International College is powered by MAA Group as the group focuses on expanding its education business. Imperium International College's driving force is committed to ensure that its students can access high-quality education and the best employment opportunities across all sectors.

Imperium International College is partners with United Kingdom's Anglia Ruskin University and United States' Fort Hays State University to provide bachelor's programmes across Accounting, Business, Computer Science and Engineering. Imperium has approximately 80 academicians and a majority of them have been with the college close to a decade.

Students who wish to pursue these programmes can progress seamlessly from Imperium's home-grown Foundation and Diploma programmes, which are accredited by the Malaysian Qualifications Agency (MQA), a statutory body in Malaysia set up under the Malaysian Qualifications Act 2007 to accredit academic programs provided by educational institutions providing higher education and facilitate the accreditation and articulation of qualifications.

Imperium also offers vocational programmes such as Hospitality as well as certificate programmes for languages such as English and Spanish. The Spanish programme offered in Imperium is in partnership with The Instituto Cervantes, the official Spanish Government Centre.

With a mission to provide the best quality education and skills for a wide range of students, Imperium is also working hand in hand with The Budimas Charitable Organisation in providing scholarships to deserving students. Imperium has also given out approximately RM2 million in scholarship to high achievers, sports scholars and many others since taking over.

The college also introduced a new initiative that redefined student's tertiary education experience which is the Imperium Interview Opportunity Programme

The former guarantees graduates who meet specified criteria that they will receive an interview placement opportunity with an organisation that is related to their area of study. This is a joint initiative between Imperium International College & MAA Group Bhd to create opportunities and provide a career jumpstart for our graduates.

As a tertiary education provider, Imperium International College is strives to ensure that our students can access high quality education and the best employment opportunities across all sectors. Imperium International College is now owned by MAA Group as the company is keen on branching out its education business. MAA Group also owns St John's International School and Pusat Tuisyen Kasturi under its subsidiary, Edumaax Sdn Bhd.

Imperium International College has been named the recipient of the Most Valuable Brand – Education – Tertiary, Professional and Vocational under the prestigious BrandLaureate Awards that recognises and rewards innovation, inspiration and integrity.

Anglia Ruskin University 3+0 UK Bachelor Programmes

ARU's story starts in 1858, when the art critic, patron and philanthropist John Ruskin opened Cambridge School of Art. The art school grew to become Anglia Ruskin University, shortened to ARU, and it's still at the heart of their modern-day campus in Cambridge.

Today, students from more than 185 countries study with ARU. Their students are at the heart of the University: their educational experience engages, challenges and empowers them to reach their full potential.

Fort Hays State University 4+0 American Degree Programme

Fort Hays State University was founded in 1902 as the Western Branch of Kansas State Normal School. The institution was originally located on the grounds of Fort Hays, a Nineteenth Century frontier military outpost. The state of Kansas initially intended the university's academic programs to focus on agriculture, but it opened in as a "normal" or teacher's college.

FHSU today is a regional comprehensive public university where determined, innovative and caring faculty and staff share a deep commitment to teaching and mentoring students. Our mission is to develop the engaged global citizen-leaders our world needs today. When you consider the quality of our academic programs, our unmatched affordability and the caring and supportive people who make the "Tiger Nation" special.

IT'S NOT ABOUT THE PIECES BUT HOW THEY WORK TOGETHER

Jasmine Kaur

Association of Chartered Certified Accountants (ACCA)

I was very fond of Imperium's small classroom size as it enhanced my learning process. The lecturers are qualified, experienced and would go above and beyond to ensure their students pass their papers.

ACCA

Lee Keen Hwa

Bachelor of Arts (Hons) Business Management

I have had an amazing time studying at Imperium College. Super Proud to be an IIC graduate. Besides, the lecturers here are knowledgeable, professional and approachable in their respective fields. Furthermore, I can honestly say that the reason I chose Imperium College is because of their well-equipped facilities, scholarship availability, quality lectures and a comfortable study environment provided for the students.

Celine Ho

Association of Chartered Certified Accountants (ACCA)

Imperium's ACCA programme gave me a solid foundation in accounting, and it helped build my confidence to put what I have learnt into action. My lecturers were really dedicated and always went above their means to assisting me in my studies. The ACCA programme at Imperium did not only equip me with the right qualifications, but also improved my skillset. Passing the ACCA exams was indeed tough, but thanks to Imperium's experienced lecturers and dedicated staffs, it made the entire process a whole lot easier.

ACCA

Michael Cheah

Bachelor of Science (Hons) Accounting and Finance

Imperium International College has provided me with various support from informative lecturers, international friends, productive clubs and activities. This has been one key transformation in my college life.

Seah Yi Qin

Bachelor of Arts (Hons) Business Management

The best thing about the Imperium International College was being part of a supportive environment, where everyone is passionate to help each other and you are encouraged to succeed as individuals. The support from staff and lectures within college really helped us not only for academic but also provide the suggestion for my future career.
